THE 2026 iCTF
MARCH 9-13, 2026

THE 2026 iCTF IS A CAPTURE THE FLAG (CTF) EDUCATIONAL HACKING COMPETITION THAT FOCUSES ON ARTIFICIAL INTELLIGENCE AND CYBERSECURITY

The competition has two tracks, dedicated to high school teams and undergraduate teams

Registration requires a team advisor, who has to be a teacher, lecturer, or faculty member

Cash prizes to the highest scoring US high schools

Rules and regulations are available
https://ictf.cs.ucsb.edu/

Each team has to register at
https://forms.gle/7BajfLRECsUEskF5A

Join the discord at
https://discord.com/invite/jKEqDj8sr4

The competition is sponsored by:
the **ACTION NSF AI Institute**
(http://action.ucsb.edu),
& **UCSB Women In Computer Science**
(wics-ucsb.github.io)
